

EEC Alternative Packets: Learning At Home

As we navigate the changes in policy across the state and here at Eastside Educational Center, we want to share alternative learning activities with our students. We have compiled five days of activities that can be done at home with materials around the house. Each class will tally the completed learning activities from each family. Please send pictures of your child(ren) completing the activities via the Remind App. If a class has 50 or more completed activities, we will celebrate by having a popcorn party. Have fun!

We have included on our Facebook page some free learning websites that can be used to enhance their learning at home. These sites are just suggestions, please make sure that you are evaluating if they are appropriate for your child(ren).

Day One:

1. Questions during Mealtimes.
 - (1.B.ECb Participate in collaborative conversations)
2. Bigger Than and Smaller Than
 - (7.A.ECc Use Measuring vocabulary)
3. Mirror Me
 - (1.A.ECa Follow simple directions)
4. Reading Activity: Go online and hear Josh Gad (Olaf) read a book to your kids.
<http://twitter.com/joshgad/status/1238959846566719488?s=1>

Day Two:

1. Rainbow Science
 - (11.A.ECc Plan and carry out investigations)
2. Rote Counting
 - (6.A.ECf Verbally recite numbers 1-10)
3. Sign Language
 - (18.A.ECa Similarities and Differences in people)
4. Reading Activity: Grab some popcorn/snacks snuggle up and read for 15 minutes.
